

Traveler Pasta Spiral

This product is UNIQUE and doesn't have any competitors internationally.

Target Market: 5 plus.

Market Segments: Retail and Food Service.

Served in well illustrated paper container manufactured in Australia from sustainable resources, which is biodegradable in land fill.

Peel back the paper lid and you will see our unique mini instant pasta spirals manufactured from Australian grown durum semolina wheat, which absorbs the flavour of our exclusive chicken seasoning with parsley. The chicken seasoning has no artificial colours, flavouring or MSG and is blended from quality ingredients to ensure you have a genuine rich tasting meal. To top off the meal we have added mixed vegetables, which contain corn, carrots, peas, red capsicum and tomatoes.

While's Traveler products are proudly manufactured in Australia from locally sourced materials and ingredients, where possible.

Directions: Peel and discard lid, add 225ml of hot water (up to the recommended fill line). Stir well with fork for 30 seconds, ready to eat once spiral noodles are soft and smooth. Takes approx 2 to 3 minutes. You will smell the delicious chicken aroma, so dig in and enjoy!

Makes 300g chicken pasta spiral meal with mixed vegetables.
